Shaping Tomorrow's Real Estate Industry

REAL Trends

The Trusted Source

REAL Trends is the nation's leading publisher of trends and analysis on the residential real estate brokerage industry. For 21 years REAL Trends has been the trusted source when dealing with industry and consumer trends in residential realty services covering changes and strategies in the business of brokerage, from the Internet to the entry of new forms of brokerage services.

REAL Trends gathers and publishes information about the largest firms in the brokerage industry. We collect data on yearly sales, transactions, sales of related products and changes in productivity. Firms are ranked based on the number of closed transactions in the most recent calendar year. Submissions are verified by sources outside the firm.

The REAL Trends 25

We are pleased to present this list of the 25 largest housing services firms in the United States from our survey of over 800 leading brokerage firms. This ranking is of the largest diversified real estate service providers that reported at least one settlement service in addition to brokerage.
